Dear Brother Knight,

HEADLINE! Knights of Columbus Mobilize Ultrasound - Instrument of Light and Life!

Women who see their baby through an ultrasound *light to the womb* real-time image choose life in more than 80% of the documented cases. Knights supported Ultrasound-Equipped Mobile Pregnancy Support Platforms go to where the young mothers and fathers are – malls, beaches, colleges, high schools ... and abortion mills.

Light and Life Mobile Pregnancy Support Clinics provide free ultrasound and other pregnancy support services to young moms early on in their life or death decision – helping them to choose life over death for their babies. *Light and Life Mobile Pregnancy Support Clinics serve as many as four times the number of women as traditional brick-and-mortar pregnancy resource centers.* By reaching so many mothers and offering free ultrasound light-images of their sons and daughters, mobile ultrasound vehicles have proven to be one of the most effective ways ... ***to change lives, and save lives.***

And so we take action!

HEADLINE! Knights of Columbus Launches State-Wide Mobile Ultrasound Campaign!

To promote the introduction of *Knights of Columbus-Light and Life* Ultrasound-Equipped Mobile Pregnancy Support Clinics throughout California, and the Nation, we, the California Knights of Columbus State Council membership are launching a State-wide ***“Mobile Ultrasound – Instrument of Light and Life Campaign”***.

And we need you Brother - as best you can - to help us reach our goal of \$70,000 ... by December 31st!

(over, please)

Light and Life Mobile Ultrasound, Inc.
is a 501 (c)(3) non-profit corporation.

The California Knights of Columbus Campaign, in cooperation with Light and Life Mobile Ultrasound Foundation [www.kofcbringlight.org], local Knights of Columbus councils and the National “Supreme” Knights of Columbus Ultrasound Initiative, are assisting qualified Pro-Life Pregnancy Resource centers to “GO MOBILE” - providing them financial assistance to purchase Original Equipment Manufacture [“OEM”] Ultrasound-Equipped Mobile Pregnancy Support Platforms.

With great hope and expectation, for we know the life-saving resolve of our membership, we are encouraging each and every Brother Knight in the Golden State to support this truly transformative movement – to help bring light and life to more young mothers and fathers, and pre-born sons and daughters, yet, in their mothers’ womb. To this end, we are urging every Brother Knight to donate \$10, \$20, \$100, \$500, \$1,000 or more, to help us reach our first-year fundraising goal of \$70,000 - and bring life-saving Mobile Ultrasound-Equipped Pregnancy Support Clinics to communities in 70 different cities.

For your convenience, we have included at the bottom of this appeal letter a donation form for your prayerful consideration. Please make your donation **TODAY** to - **Light and Life”** and write in the memo, “**Mobile Ultrasound**” and mail using the enclosed pre-addressed envelope or donate online at www.kofcbringlight.org.

Blessed Advent and Christmas to you, Dear Brothers, and your Families and Friends, and thank you, all for your abiding commitment to the Sanctity of Human Life!

Vivat Jesus!
